

House Rules

Dear Guest, I kindly ask you to read these few simple suggestions in order to make your stay quiet and unforgettable

ARRIVAL: Please inform us of your arrival time (including any delays) so that we can welcome you in the best way possible.

KEYS: There is a key box but it will be our pleasure to welcome you personally. Please guard and store the keys carefully.

DEPARTURE: The apartment must be returned by the check-out time unless special arrangements have been agreed in advance

CLEANING THE FURNITURE: The apartment is delivered to our guests neat and clean.

Please treat the furniture and equipment in the house with care.

Read carefully:

- Do not smoke inside the apartment
- In the toilet please throw only toilet paper
- The apartment is not available for parties
- The apartment is not available for illegal activities
- The wi-fi connection is available and free of charge.
- The use of drugs is strictly prohibited.
- It is recommended not to use too many appliances at the same time in order to avoid energy overload.
- With the outmost respect for the planet and according to current government guidelines, use air conditioners only during the hottest hours of the day and only in cases of real need. Turn it off if not needed.
- Please remember to dispose the garbage in the designated bins at the times required by municipal regulations (drop-off times listed in the brochure).
- Guests will find towels, sheets and tablecloths upon arrival. no changes are provided during the stay.

WI-FI

there is a display showing a QR code to connect and have other users connect to WiFi without giving a password. Press the button once and then two more times at the bottom to visualize the QR code; scan it to access the network.
